Description

Women's short-sleeved jacket, with V-neck collar closed with 3 visible press studs and two side pockets. Semi-fitted garment, with front seams and darts on the chest and back.

Made in MICROFIBRA 360 (95% Polyester - 5% Elastane). A REVOLUTIONARY fabric with SILVADUR antibacterial treatment, incorporating silver ions that provide protection and freshness. It absorbs and keeps sweat away from the skin, facilitating perspiration. Its 360º elastic property allows it to stretch in all directions, providing greater comfort and freedom of movement. Available in trendy colours such as coral or albero, combined with white on collar, sleeves and pockets.

Ideal as a uniform for nurses, doctors and other health professionals in hospitals, clinics and medical centres, pharmacies, veterinarians, beauty salons, spas, cleaning services and shops.
