Description

Perfect blend of function and style with the Leila Women's Blouse, designed for healthcare professionals looking for the best in healthcare apparel. This short sleeve scrub jacket features a smart V-neck and is equipped with two front pockets, along with a handy left chest pocket, providing the versatility needed for everyday wear. The concealed press stud fastening adds a touch of elegance, while the semi-fitted cut, along with darts at the chest and back, offers a flattering and comfortable fit.

Made in white SARGA, this blouse is the perfect choice for healthcare professionals in hospitals, clinics, medical centres, pharmacies or veterinary practices. It is also available in a complementary model for men, reference 617900.

Excellence in uniforms with the Leila Blouse.

Model replaced by reference number: 662801.
