Description

The women's short-sleeved healthcare blouse with press studs is an essential garment for professionals in the healthcare, beauty or pharmacy sectors who are looking for functionality without compromising on design. Its semi-fitted cut (M2) and TWILL 65% PES 35% CO - 200 gr/m² fabric (200 g/m²) guarantee durability, comfort and excellent breathability.

Its V-neckline, short sleeves and central closure with concealed press studs add a modern and practical touch, while the darts at the front and back enhance the silhouette for a flattering fit. The three front pockets provide great functionality for carrying work tools or small accessories.

Available colours:
White (C/101)
