Description

Our trousers are designed to fit any gender and body type. With a regular fit, they offer comfort and freedom of movement throughout the working day.

The waistband has an elasticated waistband and drawstring to adjust the trousers to your size, giving you a personalised and comfortable fit.

These trousers have two inside hip pockets, ideal for carrying tools or personal devices, as well as a back patch pocket for added convenience.

They are made of 100% polyester microfiber, a high-performance fabric that is anti-bacterial, highly breathable and resistant to bleach splashes.

The trousers are washable at 90 degrees, dry quickly and require no ironing, making them easy to care for in busy work environments.

The microfibre used in these trousers is hair and pet hair repellent, maintaining a clean, professional appearance.

They are available in three fun and original KUKUXUMUSU designs, allowing you to add a touch of personality and style to your uniform.

KUKUXUMUSU Unisex Trousers are ideal for a variety of professionals, including the hospitality and kitchen sectors.
