Description

The innovative rubber band at the back of the waistband provides a comfortable, flexible fit that adapts to movements and activities during the workday. This eliminates the need for belts, further enhancing comfort.

These trousers feature a slim-fit design that enhances the figure and provides a sleek look. The mid-rise waist provides adequate coverage and a comfortable fit.

There are two french pockets on the sides, providing storage space for small items or essential work tools.

Waist belt loops are included, allowing for the use of belts if preferred or if extra support is needed.

TRIVIAL fabric, composed of 77% Polyester, 20% Viscose and 3% Elastane, offers freedom of movement, comfort, soft feel and crease resistance. It is also easy to iron, making it easy to care for.
