Description

The trousers are made from MEETING fabric, which is 98% cotton and 2% elastane. This fabric provides comfort, durability and a soft feel.

The waistband of the trousers is finished with a bias binding on the inside, ensuring a comfortable and secure fit. There are five belt loops with belt loops at the top and bottom, allowing the use of belts and providing a stylish look.

The trousers have French-cut pockets with topstitching, a watch pocket on the right side and two single welt pockets at the back. These pockets offer space to carry essential items or work tools.

The trousers' buttons and zip are designed in the same shade as the fabric, providing a uniform and stylish look.

Available in three attractive colours: grey, brown and navy, allowing professionals to choose the one that best suits their style and work environment.
