Reference: 700009-104 · NAVY 110 - BEIGE CBP - COLOR ON REQUEST SIZE

Description

These suit trousers are made from X.LINEN fabric, which consists of 65% polyester, 30% viscose and 5% elastane. This composition provides a balanced blend of durability, softness and elasticity, ensuring comfort and mobility throughout the day.

It features two French-cut pockets on the front with topstitching, a welt pocket with button and buttonhole on the back right, and a watch pocket on the right side. These pockets provide space to safely store essential items and work tools.

It has six belt loops for a secure and comfortable fit, which is especially useful for those who prefer to wear belts with their uniform.

Unlike other trousers, this model does not have visible belt loops, giving it a cleaner, more professional look.

Women's version: 700011. Tailoring Collection.

Available sizes
