Description

These trousers are made from MEETING fabric, which is 98% cotton and 2% elastane. This blend of materials provides a soft feel, comfort and a slight stretch for ease of movement.

The waistband of the trousers is finished with bias binding on the inside, which adds a touch of elegance and ensures a comfortable fit. Five 4.5 cm long belt loops allow for the use of belts and add versatility to the trousers.

The trousers feature two French-cut pockets with topstitching on the front, which offer space for small personal items or work tools. There is also a watch pocket on the left side for added convenience.
