Description

These suit trousers are made from WELFARE fabric, which combines 53% polyester, 44% wool and 3% elastane. This fabric offers an exceptional combination of comfort, durability and elegance. The wool provides a soft feel and a refined appearance, while the elastane adds stretch for a comfortable fit.

The trousers feature two French-cut pockets at the front, ideal for carrying small items or work tools. They also have a single back pocket with a button and buttonhole on the right side for added versatility.

The waistband is designed with a fly and badge, providing a secure and comfortable fit. The hem of the trousers features invisible stitching for a clean and professional finish.

The six belt loops are designed to be discreet, with no visible loops, adding a touch of elegance to the trousers.

Women's version: 700015. Tailoring Collection.
