Reference: 700015-104 · MARINO

Description

These trousers are made from WELFARE fabric, composed of 53% polyester, 44% wool and 3% elastane. This high-quality fabric provides the perfect balance between comfort and durability. The wool adds a soft touch and an elegant appearance, while the elastane ensures a comfortable and flexible fit.

The suit trousers feature two French-cut pockets at the front, ideal for carrying small items such as pens or work tools. These pockets are detailed with topstitching and loops at the top and bottom, adding a touch of style and functionality.

The waistband of the trousers is designed with an inside bias binding, providing a secure and comfortable fit. This feature is especially important for professionals who spend long hours at work.

The hem of the trousers is finished with an invisible stitch for a clean and professional finish. In addition, the five trouser loops, which are not visible from the outside, add a discreet touch of elegance.

Men's version: 700014. Tailoring Collection.
