Description

The trousers are made from a premium quality fabric, POLYESTER WOVEN 100%PES 165gr/m². This choice of material not only ensures a durable garment, but also reflects your commitment to quality and attention to detail. The smooth, sleek texture of the polyester creates a polished, professional appearance.

The concealed expandable waistband is the distinctive feature of these trousers. The elastic adjustment on the sides of the waistband allows the trousers to adapt to your needs, even allowing up to one waist size more. This guarantees exceptional comfort during your working day.

Ideal for the hotel and catering industry.
