### Description

These shorts are made of 100% polyester MICROFIBRE, a high-quality material. This fabric choice not only ensures durability, but also reflects your commitment to quality and attention to detail. Microfibre is known to be antibacterial, highly breathable and resistant to splashes of bleach diluted in water.

The elastic waistband and outer drawstring are the standout features of these shorts. This allows for a comfortable and custom fit, allowing you to concentrate on your work without worry. The unisex design adds to the versatility of the garment.

The two inside hip pockets and back patch pocket are practical essentials that allow you to keep everything organised.

Also available in long model reference 700600.
