Description

The women's Bermuda shorts with bow detail are made from a high quality, WOVEN 89% polyester (PES), 7% viscose (VI) and 4% elastane (EA) fabric. This choice of material not only ensures a durable garment, but also reflects your commitment to quality and attention to detail.

The bow detail on the back waistband is the signature feature of these shorts. This stylish touch adds an element of elegance and sophistication to your outfit.

The elasticated back waistband offers a comfortable and secure fit, allowing you to move with ease during your work activities. The two French-cut pockets on the sides, the belt loops at the waist and the stitched and turned-up belt are practical elements that not only add functionality, but also enhance the overall look of the garment.

The classic design of the women's Bermuda shorts with bow detail makes them suitable for a variety of work situations.

Ideal for waiters, receptionists, shop assistants and other hospitality and retail professionals.

Also available in men's model reference 700022.
