Description

These men's leather-tipped Bermuda shorts are made from water repellent 100% polyester PLANA (PES). This choice of material ensures a durable garment that can withstand the demands of the hospitality industry and maintain its impeccable appearance.

The water repellent feature of these shorts makes them moisture resistant, which is especially useful in an environment where spills are common. Maintain your professional appearance even in unexpected situations.

Breathability is essential in the hospitality industry, and these shorts offer a high level of breathability, keeping you cool and comfortable throughout your working day, even in hot climates.

Details make all the difference, and the leather drawstring end of these shorts adds a touch of elegance to your attire. It's a nod to quality and style.

With three colours available, you can choose the option that best suits your style and preferences. Match your Bermuda shorts with other elements of your uniform to create a unique professional look.

Also available in women's model reference 700031.

Available sizes

36 38 40 42 44 46 48 50 52 54 56 58 60

Size guide

Measurements may vary slightly due to the production process. The garment is measured flat.

MEASURE (cm)	36	38	40	42	44	46	48	50	52	54	56	58	60
