Description

A skort made from microfibre, a 100% polyester (PES) fabric that offers a unique combination of softness and durability. This choice of material ensures a garment that feels soft to the touch and stands up to the demands of the hospitality industry. Fabric resistant to splashes of bleach diluted in water.

A comfortable and stylish alternative to traditional skirts. Allows you to move with ease while maintaining a professional and sophisticated look.

The faux back pocket is a stylish detail that adds a touch of elegance and the fabric-coloured invisible zip and button fastening not only makes it easy to put on and take off, but also contributes to the clean, smart look.

Available in three versatile colours, allowing you to choose the option that best suits your style and preferences.
