Description

These trousers are made of a high quality bi-stretch fabric composed of THICK WOVEN 88%PES 12%EA 220gr/m². The two-way stretch allows for unparalleled flexibility, which is essential for professionals who spend long hours on their feet.

The turn-up hem and front darts add a touch of style to your uniform, allowing you to look professional and fashionable. In addition, the two front pockets and belt loops provide extra functionality for storing your tools and work accessories safely and securely.

The elasticated back waistband ensures a comfortable and personalised fit, without sacrificing elegance. Forget about uncomfortable, constricting trousers; these will keep you comfortable all day long.

On both the front and back, these trousers feature centre seams for a neat and professional appearance, ensuring you look impeccable at all times.

Ideal for hair salons, spas, beauty salons and retail outlets.
