Composition / Treatment

BIELÁSTICO JASPEADO 96% PES 4% EA - 185 gr/m²

Available colors

104 142

Reference: 700063-104 · NAVY

Description

The Women's Crossover Trousers combine style and functionality in a garment designed for the workplace. Made from a bi-elastic marl fabric (96% polyester, 4% elastane, 185 gr/m²), it offers excellent elasticity and resistance, allowing total freedom of movement without sacrificing sophistication.

Its semi-fitted design (M2 SEMI-FIT) enhances the silhouette without limiting comfort, while the crossover at the front closure adds a distinctive and modern touch. It also features a double eyelet pocket, ideal for carrying small items in a practical and secure way.

Available in two versatile and stylish colours, navy and sand, these trousers are perfect for professionals looking for a refined and functional look.

* Flexible and hardwearing, flecked bi-elastic fabric.
* Semi-fitted design, flattering and comfortable.
* Cross-front closure, for a modern and sophisticated style.
* Double buttonhole pocket, practical and functional.
* Available in navy and sand, neutral and professional colours.

Men's version: 700067. Black colour: 700071. Tailoring Collection.
