Description

These adjustable unisex jogger-style trousers are designed to offer comfort, versatility and a customised fit. Made from SOREMA 53% PES RECYCLED 47% BIO PES - 108 gr/m², they are ideal for professionals looking for sustainable clothing without compromising on style.

They feature an elasticated waistband with an adjustable drawstring and stopper, as well as adjustable elastic at the outside of the hem, allowing the trousers to be adapted to different contexts and preferences. Their four functional pockets (two French pockets at the front and two at the back) ensure practicality during the working day.
