POPLIN 65% PES 35% CO - 116 gr/m²

Available colors

001 753

Description

These trousers have a regular fit that provides an excellent combination of comfort and style. It is loose enough to allow freedom of movement, but not too loose to lose professional style.

The elasticated waistband with adjustable drawstring allows for a customised and comfortable fit. This is essential for those who spend long hours on their feet or in constant movement in the hospitality environment.

These trousers feature two inside hip pockets, ideal for storing essentials such as pens, notepads or mobile devices. There is also a back patch pocket for added convenience.

It is made of high-quality poplin, made of 65% polyester and 35% cotton, making it strong and durable. Available in black and charcoal grey, it combines style with easy care.

These trousers are the perfect choice for uniforms in the hospitality industry, offering comfort and functionality without sacrificing a professional look. Whether in the kitchen, waiting tables, managing teams or running your business, these trousers are an excellent choice for hospitality staff.
