Description

This pant is made of Plana, a blend of 50% linen and 50% cotton. This fabric is hypoallergenic and antibacterial, which means it will keep you cool and comfortable all day long. Plus, it's highly resistant to stretch, abrasion and stains, ensuring durability in your work environment.

The elastic waistband with outer drawstring gives you a personalized and comfortable fit. You can tailor it to your size and make sure it stays in place even on the busiest of days.

This pant features two interior hip pockets, ideal for storing small kitchen tools or essential utensils, and a back patch pocket that adds functionality without compromising style.

The unisex design and straight leg cut make this pant suitable for both men and women. Versatile styling makes it a smart and professional choice for any team member.

This linen pant is ideal for hospitality and kitchen environments where comfort, style and stain resistance are required. In addition, its moisture wicking and breathability make it perfect for healthcare professionals, veterinarians, estheticians, spas and retailers.
