Description

Versatility and comfort with these unisex trousers, designed for healthcare and food industry professionals looking for functionality and style. These regular fit medical trousers feature a half-elasticated back waistband and elasticated drawstring for a customised fit. Equipped with two French pockets on the hips and a back patch pocket, they offer practicality in the workplace.

Made from 70% cotton and 30% polyester 130 g/m² Oxford fabric, these trousers stand out for their lightness, high breathability and soft feel. The geometric braided fabric, combining two-colour threads, adds texture and a distinctive touch to the uniform.

Elevate your uniform with this garment that combines functionality and design in an exceptional way.
