Description

Comfort and style with these elasticated trousers with drawstring, designed for healthcare and food industry professionals who seek functionality and elegance in their workwear. These unisex medical trousers feature a half-elasticated back waistband and elasticated drawstring for a comfortable, customised fit. Equipped with two French pockets on the hips and a back patch pocket, they offer practicality in the workplace.

Made from JASPER 100%PES 126gr/m², they provide maximum comfort and resistance to peeling, with a soft feel and technology that prevents liquid and fluid splashes from passing through. Available in sand melange or sea blue melange colours, the Jasper Unisex Elasticated Waist and Drawstring Trousers are the ideal choice.

Elevate your uniform with this garment that combines functionality and design in an exceptional way.
