Description

Innovation and performance with these trousers designed to meet the demands of healthcare professionals and the healthcare industry. These slim-fit trousers offer a modern and comfortable fit, perfect for constant movement in dynamic environments.

Made from EXTRAFIBER 93% PES 7% EA 210 g/m², this bi-elastic fabric redefines comfort and durability. The half-elasticated back waistband with drawstring ensures a customised fit, while the two denim-style hip pockets, invisible back pocket and zipped patch pocket on the right leg provide secure and accessible storage for your essential tools.

The fabric's extraordinary combination of lightness and strength ensures a durable, tear-resistant garment that is ideal for the rigours of the healthcare environment. In addition, its bi-elasticity allows for unrestricted mobility throughout the working day.

These healthcare trousers are much more than just workwear: they are a statement of style and functionality.

Available colours:
Black (C/001) | Charcoal grey (C/139) | Petrol green (C/145)
