Description

Excellence in sustainable uniforms with these unisex trousers made from recycled fabric, part of our exclusive NATUREWEAR line. These trousers, made from RECYCLED MICROFIBRE 54 % PES RECYCLED 46 % PES - 145 g/m² , reflect our commitment to environmental sustainability and ethical fashion.

The elasticated waistband with drawstring provides a comfortable, customised fit, ensuring that these trousers are perfect for your working day. Equipped with two inside hip pockets and a practical back patch pocket, this unisex design offers space to carry essential tools, mobile devices or other items you need for your daily work.

Designed to suit both men and women, these unisex healthcare trousers are versatile and comfortable for professionals in various fields, such as healthcare, hospitality, hairdressing, beauty, or spa. The recycled polyester microfibre not only provides durability and wear resistance but also helps reduce environmental impact.

Available colours:
Black (C/001) | White (C/101)
