Description

The perfect combination of style and function with our Persia Unisex Trousers with Jeans Pockets, designed for professionals in healthcare and other sectors looking for a modern and comfortable look in their workwear. These unisex trousers feature a unisex cut with a half elasticated back waistband and elasticated drawstring for a personalised fit.

Equipped with two hip pockets, a back patch pocket and a right leg pocket, it offers convenient space to carry essential tools, mobile devices or any other items needed for your work.

Made from 78% Polyester, 18% Viscose and 4% Spandex unwashed denim, these trousers not only provide durability and resistance to wear and tear, but also offer a touch of stretch for maximum comfort during your working day.

Elevate your professional image with these trousers that balance style and practicality, ensuring you look and feel great in your day-to-day working life.

Available sizes
