Description

Comfort and elegance with our Women's Trousers with Pockets, designed to meet the demands of professionals in the healthcare and allied sectors. These trousers combine functionality and style with a slim fit, half elasticated back waistband and elasticated drawstring for a custom fit. The two French hip pockets, along with a rear patch pocket and right leg pocket, offer a handy place to keep your essential tools with you throughout your working day.

Made from 100% polyester microfibre, this anti-bacterial fabric provides a hygienic and comfortable solution for your uniform. Its high breathability and resistant to splashes of bleach diluted in water make it ideal for hospital environments. Available in black or white, with a stylish combination waistband and pockets, these trousers ensure unalterable colours and a long-lasting professional look.

Make a style statement in your work environment with our Women's Trousers with Pockets, the perfect choice for discerning professionals looking for quality and comfort.

Available sizes

XS S L 3XL M XL
