Description

Maximum comfort and durability with these unisex trousers, designed to meet the demands of healthcare and industrial professionals. These trousers offer a modern fit with a skinny leg, ensuring a professional and contemporary look.

Highlighting their innovative design, they include reinforced knee pads to provide protection and resistance in areas of high wear. The combination of their bi-elastic EXTRAFIBER 93% PES 7% EA 210 g/m² fabric provides an excellent balance between lightness and resistance. This fabric is not only highly breathable, but also offers tear protection, ensuring the garment's durability.

The half-elasticated waistband with adjustable drawstring guarantees a comfortable, personalised fit to suit your needs throughout the working day. With two hip pockets and a rear zip pocket, these healthcare trousers offer extra space to carry your essential tools with you.

Available colours:
Black (C/001) | Charcoal grey (C/139) | Petrol green (C/145)
