Description

Designed for healthcare and industrial professionals, these trousers are made from innovative MICROFIBRE 360 VIGORÉ 95% PES 5% EA - 170 g/m². Its 360 elasticity allows for stretch in all directions, providing exceptional comfort and freedom of movement.

The marbled fabric alternates fibres of various colours, giving it a modern and dynamic look. It also incorporates AEROSILVER technical fabric in the side seams, providing antibacterial and odour control properties, keeping you cool and clean.

With a low skinny fit, half elastic at the back waist and adjustable drawstring, these medical trousers adapt to your needs. The two French pockets on the hips offer practicality, while the AEROSILVER side strips not only add style but also functionality.

These trousers are ideal for healthcare professionals, such as nurses, doctors and staff in clinics, hospitals, pharmacies, veterinary clinics, beauty salons and more.

Available colours:
Pearl grey (C/117) | Charcoal grey (C/139)
