Description

Revolutionise comfort and style with our unisex jogger trousers. Designed for healthcare and industrial professionals, these trousers redefine workwear with their innovative MICROFIBRE 360 95% PES 5% EA - 170 gr/m². This revolutionary fabric features SILVADUR antibacterial treatment, which incorporates silver ions to provide long-lasting protection and maintain freshness throughout the working day.

The jogger-style trousers are a perfect combination of fashion and function. With a half elasticated back waistband and drawstring, they offer a custom fit, while the cuffed leg hem adds a modern touch. Two French hip pockets and a rear patch pocket provide practicality without sacrificing style.

Stay cool, comfortable and stylish with our latest innovation in workwear.
