Description

Unmatched elegance and comfort with our trousers designed to meet the demands of healthcare and industry professionals. These trousers redefine workwear fashion with their innovative X.LINEN 65%PES 30%VI 5%EA 195gr/m² fabric, which combines the look of linen with the elasticity and softness needed for everyday wear.

The unisex design features an elasticated waistband with an adjustable drawstring for a comfortable, customised fit. With two inside hip pockets and a practical back patch pocket, these healthcare trousers offer functionality without compromising on style.

With vibrant colours such as aqua green and beige, these trousers are the perfect choice for healthcare professionals such as nurses, doctors and staff in hospitals, clinics, medical centres, pharmacies or shops. Their breathable fabric ensures a cool experience during long working days.

Available colours:
Black (C/001) | Navy (C/104) | Beige (C/110) | Aqua green (C/155) | Nude (C/157)
