Description

The shorts feature a half elastic waistband, which ensures a comfortable and secure fit around the child's waist. This allows for greater mobility and comfort throughout the day.

In addition to the half elastic, the shorts are equipped with a button and zip for secure fastening. This makes it easy to put on and take off the garment, which is especially useful for younger children.

The shorts have two side pockets with lining. These pockets provide extra space for storing small items or keeping hands warm on cooler days.

The hem of the shorts is hemmed, which gives the shorts an extra touch of style and allows for a comfortable fit. This also makes it easier for children to move around while wearing the garment.

The shorts are available in three different colours: navy, light grey and dark grey. This allows parents to choose the colour that best suits their child's taste and style.

The shorts are made of high quality materials that are durable and easy to iron. This makes the garment easy to maintain and care for.
