Description

These shorts feature a full elasticated waistband, ensuring a comfortable and secure fit at all times. The elastic provides flexibility and comfort, which is essential for children to feel comfortable all day long.

The shorts feature two lined side pockets, providing extra space for storing small items or keeping hands warm on cooler days.

The hem of the shorts is hemmed, which gives them an extra touch of style and allows for a comfortable fit. This also makes it easier for children to move around while wearing the garment.

The shorts are available in three different colours: navy, light grey and charcoal grey. This allows parents to choose the colour that best suits their child's taste and style.

The shorts are made of high quality materials that are durable and easy to iron. This makes the garment easy to maintain and care for, which is especially useful for busy parents.
