Description

Experience maximum comfort and functionality with our Gamo Unisex Multi-Pocket Stretch Trousers with 2 Reflective Stripes, an essential piece of workwear for industry professionals. These trousers stand out for their versatility and innovative style.

Made in high quality ELASTIC SARGA (65% Polyester, 33% Cotton, 2% Elastane), this fabric provides resistance, flexibility and comfort throughout the working day. The unisex design includes elastic for a comfortable fit and freedom of movement, while the multiple pockets offer a practical solution for carrying tools and essentials.

The trousers feature 2 reflective stripes, providing additional visibility in low-light work environments, enhancing worker safety. In addition, the water repellent fabric adds a protective layer against liquids, keeping professionals dry and comfortable.

Opt for our Gamo Unisex Multi-Pocket Stretch Stretch 2-Stripes Reflective Trousers and experience the perfect combination of style, functionality and durability in your industrial workwear - maximise your performance with the best workwear available on the market!
