Description

Versatility and functional style of our Gamo Combination Unisex Multi-Pocket Stretch Elastic Trousers, an essential choice in workwear for industry professionals, especially designed for gardeners and other demanding workers. Part of our workwear line for industry workers, these trousers are perfectly suited to everyday needs, combining comfort and durability.

The unisex design features a water-repellant fabric composed of elastic twill, providing resistance, flexibility and comfort during long working days. The stretch feature ensures a comfortable fit, while multiple pockets offer practicality for carrying tools and essentials.

The highlight of these trousers is the variety of colour combinations and the possibility of customisation with different tops, allowing you to tailor your outfit according to your personal preferences and style.

Opt for our Gamo Unisex Multi-Pocket Stretch Elastic Combination Trousers and experience the perfect fusion of style and functionality in your workwear - maximize your performance with the best workwear for industry professionals available on the market!
