Description

Discover excellence in our Arce Unisex Multi-Pocket Stretch Trousers, a key piece in the healthcare and workwear category. Designed for healthcare professionals such as doctors, nurses, dentists or physiotherapists, as well as those in the food industry, these trousers combine functionality and style.

These HYDROFUGATED work trousers feature carefully thought-out details, such as the elasticated sides of the waistband for a comfortable fit and belt loops for versatility in the use of belts. Equipped with two French hip pockets, two patch pockets with flap at the back, one gusset pocket with flap on the right leg and one hidden pocket on the left leg, perfect for your mobile phone. It also has strategic reinforcements on the belt, crotch and knees, with openings to insert protective knee pads.

Made in T400, a REVOLUTIONARY stretch fabric, these trousers stand out for their resistance to industrial washing at 90º, permanent elasticity, high comfort, good moisture management, excellent resistance to chemical elements and anti-stain treatment.

Customise your style with additional options such as coloured tops (7502C1), reflective stripes (7502BR) or a combination of both (7502CB). These trousers are the perfect choice for those looking for quality, functionality and durability in their workwear.
