Description

The navy check pattern adds a touch of style and elegance to the garment, which is essential for maintaining a professional appearance in the hospitality business.

The regular fit ensures a comfortable fit that allows freedom of movement during long working hours in the hospitality business. The half elastic at the back waist, together with the zip and button, ensures that the trousers fit every professional perfectly.

The two French hip pockets offer convenient space to carry essentials at hand, such as notepads, pens and more, which is a must in the hospitality business.

The high-quality vichy fabrication ensures resistance to stains and daily wear and tear, which is essential for garments that are in constant use in the hospitality environment.

These trousers blend perfectly with other uniform items, allowing hospitality professionals to tailor their appearance to the needs and expectations of their workplace. It is the ideal choice for restaurants, hotels and bars of various categories.

The VICHY unisex kitchen trousers are the epitome of elegance and professionalism in the hospitality industry. These trousers are designed to withstand the demands of the profession, while ensuring that hospitality professionals always look stylish.

Also available in size 771000 for size by size.
