Description

Comfort and style in the Pique Maternity Trousers, specially designed to meet the needs of pregnant women working in professional environments. This innovative pant features an acrylic elastic front waistband and an adjustable drawstring, ensuring a perfect fit as the belly grows during pregnancy.

The straight leg cut provides comfort and versatility for unrestricted everyday wear. Made from high quality piqué, available in black or white, this hardwearing and durable fabric offers a professional look and easy care. Pique is known for its strength and ability to stay in top condition over time.

Equipped with two French pockets on the sides, ideal for carrying everyday work essentials, these trousers are perfect for nurses, doctors and other workers in hospitals, clinics and medical centres. It is also an excellent choice for staff in sectors such as hospitality, kitchen, cleaning, hairdressing, beauty, spa and retail.

The Pique Maternity Trousers are the smart choice for pregnant women looking for comfort and style in their working environment. Specialised design and high quality materials make this garment a durable and versatile choice. Ensure the comfort of your staff during pregnancy and ensure they are able to perform their work duties.

Order today and give your team the right clothes for their pregnancy!
