Description

These trousers are inspired by the classic chino style, characterised by a clean, smart cut. The regular-fit design offers a versatile silhouette that suits a variety of professional environments.

Two front french pockets are ideal for carrying small items such as pens or order books. Two rear welt pockets add functionality and style.

The trousers are made of emerised SARGA, a high quality fabric combining 97% cotton and 3% elastane. This composition provides excellent comfort and durability, making it an ideal choice for winter uniforms.
