Description

These trousers feature a semi-fitted design that is in line with current trends in workwear. Most notable is its absence of darts, which provides a cleaner, sleeker look.

Equipped with two french pockets on the front, these trousers provide convenient space to carry small essentials or simply rest your hands when needed.

In addition to the front pockets, these trousers feature a welt pocket at the back, which adds a touch of style and allows you to carry additional items.

With belt loops incorporated into the waistband, these trousers offer the option of using belts to customise the fit and style to suit individual preferences.

The TRIVIAL fabric construction, consisting of 77% polyester, 20% viscose and 3% elastane, combines the best of three worlds: comfort, durability and ease of care. It offers great freedom of movement, soft feel, crease resistance and easy ironing.
