TRIVIAL 77% PES 20% VI 3% EA - 185 gr/m²

Available colors

001 104

Description

This jacket is made of TRIVIAL fabric, which combines 77% polyester, 20% viscose and 3% elastane. This blend of materials provides a perfect combination of comfort and durability. Trivial fabric is known for its strength and easy care, making it ideal for everyday use in the hospitality industry.

The reverse lapel is a distinctive feature of this blazer that adds a touch of modernity and elegance to its design. This lapel is a bold choice that shows a contemporary approach to fashion and gives the garment a unique look.

The garment features an inner lining that not only adds comfort, but also helps to maintain its shape and durability, making it a hardwearing choice for everyday use in hospitality environments.

The back slit adds comfort and ease of movement, which is essential for professionals who are constantly on the move in the workplace.

The blazer features two hip pockets with two welt pockets without wallets, adding a touch of style and functionality. These pockets provide additional storage space for personal items or work documents.

This blazer is available in two classic colours, black and navy, which are easy to match and suitable for a wide variety of work environments.

Men's version: 800003. Tailoring Collection.
