### Description

The bomber jacket is made from TRIVIAL fabric which is composed of polyester, viscose and elastane, providing a durable and wear-resistant garment. This fabric is ideal for constant use in the hospitality industry.

This jacket features design details that enhance its elegance, such as the ribbed collar and hem, the 1mm stitched neckline and the press stud sleeve cuffs. These elements add a touch of style to the garment.

The 5mm thick central zip is secured with stitching, ensuring a long life and secure closure. The zip allows for easy adjustment of the jacket as required.

The jacket has an inside pocket on the front right side, with a pocket opening of 2x2 cm and 1mm stitching. In addition, it offers two slanted zipped pockets on the inside of the hips for secure and accessible storage.

This bomber jacket is available in two versatile colours: black and navy. These colours are ideal for maintaining a professional appearance in a variety of work environments.

Men's version: 800011.
