Composition / Treatment

TRIVIAL 77% PES 20% VI 3% EA - 185 gr/m²

Available colors

001 104

Description

The jacket is made of TRIVIAL fabric, which guarantees wear resistance and a long service life. The combination of polyester, viscose and elastane provides an ideal balance between comfort and durability.

This garment features a stylish design with a funnel neck and an inverted zip at the centre front. The zip not only adds a touch of style, but also allows for quick and secure fastening.

The jacket is lined on the inside, which enhances the comfort and feel of the jacket. The lining adds an extra level of quality to the garment.

There are two hip pockets that are neatly tucked into the seam. These pockets provide convenient storage space for small items while working.

You can choose between two versatile colours: black and navy. These colours are suitable for maintaining a professional appearance in a variety of work environments.

Available sizes

36 38 40 42 44 46 48 50 52 54 56

Size guide
