Description

The blazer is made from TRENDER fabric, which contains 65% polyester, 32% cotton and 3% elastane. This combination of materials guarantees a durable garment that retains its shape and comfort over time.

This suit jacket features a modern, slim fit design in line with current fashion trends. Its close fit to the body provides an elegant and contemporary look.

The camel and denim-coloured buttonholes and stitching add a touch of style and sophistication to the garment. The left-over-right front closure is a classic detail that adds a professional look.

The jacket has lined fronts and a half lining on the back, providing comfort and ease of movement without sacrificing style.

The garment is equipped with a flap pocket with a wallet on the chest and two flap pockets with a wallet and gusset on the hips. These pockets offer ample space for storing small essential items.

This jacket is a versatile garment suitable for a wide range of professions, including waiters, maîtres d'hôtel, sommeliers and other roles in the hospitality and service sector. Its modern design and elegant details make it ideal for maintaining a professional and fashionable appearance in any work environment.

Women's version: 800016. Tailoring Collection.
