Description

This blazer features a sophisticated design with two buttons down the front, giving it a classic and refined look. The choice of two buttons allows for a comfortable and flattering fit.

Made from Welfare fabric, which consists of 53% polyester, 44% wool and 3% elastane, this jacket offers an ideal combination of softness, warmth and stretch.

The jacket is lined at the front, which increases its resistance to wear and tear and ensures greater durability. The lining also adds a touch of softness against the skin.

The sleeve lapel eyelets are in an attractive light blue colour, which adds a touch of style and elegance to the garment.

The garment has a centre back seam finished with bias binding, which adds a touch of style and enhances its durability. It also features a back slit for ease of movement.

The jacket has a left chest pouch pocket and two lined plastron pockets on the hips, providing storage space for personal items or essential work tools.

The jacket closes front right over left, a classic detail that adds sophistication to the garment.

The classic design and high quality fabric ensure that women look professional and stylish in any work situation.
