Description

This coat is made of MOUFLON fabric containing 80% polyester, 18% viscose and 2% elastane. This combination of materials ensures a durable and comfortable garment.

The lapel and edges of the coat feature 5 mm topstitching that adds a touch of distinction to the design. These details enhance the craftsmanship and sophistication of the garment.

The coat closes front left over right with buttons, allowing for a secure and personalised fit.

It has a buttoned buttonhole pocket on the inside of the left front, a buttonhole pocket on the inside of the right front and a breast pocket on the left chest. In addition, there are two buttonhole wallet pockets on the hips. These pockets offer space to store personal items or work tools in an organised manner.

The design includes front darts for a close fit and a flattering, figure-flattering look.

The garment features a centre back seam with slit that adds a distinctive touch to the design.

The coat has a close fit and a length of approximately 98 cm, providing a professional and comfortable appearance.

This coat is versatile and suitable for a variety of work environments, including waiters, reception, transport, office and general retail.
