Description

This jacket is made of MAXIMA fabric, which combines 54% polyester, 44% wool and 2% Lycra. This fabric provides a high level of comfort, crease resistance and easy ironing. In addition, it has a soft and warm texture that makes it suitable for different seasons.

The blazer offers a slim fit that fits the body in an elegant and flattering way. The darts on the front contribute to a polished and sophisticated look.

Two side welt and wallet pockets, one chest welt pocket and three inside pockets provide ample space for personal items or work tools in an organised manner.

The two back slits allow for greater freedom of movement, which is especially valuable for professionals who are constantly on the move.

This blazer is suitable for a variety of work environments, including hospitality, catering, bands, reception, transport, office or retail. Its stylish design and comfort make it an exceptional choice.
