Description

This jacket is made of TRIVIAL fabric, which combines 77% polyester, 20% viscose and 3% elastane. This fabric provides great freedom of movement, making it ideal for professionals who need to be constantly on the move. It is also soft to the touch, crease-resistant and easy to iron, which makes it easy to keep the garment in perfect condition.

The jacket has a slim fit for a figure-flattering fit and a sleek, modern look.

There are two side welt and wallet pockets, one chest welt pocket and three inside pockets that provide additional space for carrying personal items or work tools in an organised manner.

The two back slits allow for greater freedom of movement, which is especially valuable for professionals who are constantly on the move.

This blazer is suitable for a variety of work environments, including hospitality and catering, bands, reception, transport, office or retail. Its stylish and comfortable design makes it a versatile choice.
