Description

This jacket is made of TECNO fabric, consisting of 96% polyester and 4% other materials. This fabric provides a high level of elasticity, which guarantees an excellent fit and comfort during long working days.

The slim fit of this jacket enhances the wearer's figure, offering a modern and elegant appearance.

It has two side pockets with a flap and piping that provide space to carry personal belongings or work tools in an organised manner. There is also a welt chest pocket for added versatility.

Two back slits allow for greater freedom of movement, which is especially valuable for professionals who need to be constantly on the move.

Three interior pockets provide additional space for safe and secure storage of documents or personal items.

Available in two classic colours, black and navy, to suit different preferences and styles.
