Description

This blazer is made from a high-end COMFORT fabric, consisting of 54% polyester, 44% wool and 2% Lycra. This combination of materials provides exceptional comfort, a fine, lightweight finish, a soft feel and superior crease resistance. It is also easy to iron, making it easy to care for.

The slim fit of this blazer accentuates a woman's figure, offering a modern and elegant look. The front darts ensure a perfect fit, allowing freedom of movement during work activities.

The blazer features a two-button design on the front and a central back slit. These details add a sophisticated touch to the design and allow for greater comfort when sitting or moving around.

There are two welt and wallet pockets on the sides, providing space for personal items or work tools. A welt pocket on the chest adds a practical and stylish element.

This jacket is versatile and suitable for a variety of work applications, including hospitality and catering, bands, reception, transport, office or retail.

Available sizes

36 38 40 42 44 46 48 50 52 54 56
