Description

This blazer is made from a COLD fabric, which combines 97% cotton and 3% elastane. The cotton provides a cool, breathable feel, ideal for summer, while the elastane adds stretch and comfort. This fabric is soft to the touch and offers great durability.

The blazer has a slim fit design that enhances the feminine figure and offers a sophisticated and professional look. The two buttons on the front add a touch of elegance to the ensemble.

The darts on the front ensure a perfect fit and help to maintain the shape of the garment, even during long working days.

The centre back slit provides mobility and comfort when walking or sitting, making it ideal for the workplace.

The jacket has two side welt and wallet pockets, providing additional storage space for personal items or work tools. There is also a welt pocket on the chest for added functionality and style.

This garment is versatile and suitable for a wide variety of work applications, including hospitality and catering, reception, transport, office or retail.

Men's version: 812500. Tailoring Collection.
